

Twice the history.
Twice the strength.
Twice the innovation.
Twice the intelligence.
Twice the footprint.
Infinite possibilities.

Baylor Health Care System and Scott & White Healthcare are now one. And the health care world will never be the same.

Two of the most trusted names in health care – Baylor Health Care System and Scott & White Healthcare – have become one: Baylor Scott & White Health. This new organization is the largest nonprofit health care system in Texas. And it's an exciting union that brings twice the resources, working as one, to help make our communities healthier. Now, there's no end to what we can accomplish.
